

A Message From Mrs Gee

Dear Parents and Carers,

As we reach the end of another busy and exciting half term, I would like to take a moment to reflect on some of the fantastic learning opportunities and achievements our children have experienced. It has been wonderful to see our pupils embracing new challenges, developing their skills and representing Bay Primary School so positively.

This week the children in Early Years had a visit from the Fire Service and enjoyed learning more about 'people who help us'. We have also been pleased to welcome the Mental Health Support Team back into school. They have been working with pupils and staff across Key Stage 2, supporting the wellbeing and mental health of our school community.

On Monday, our PCSO, Kim, joined us for assemblies to talk to the children about keeping safe at this time of year. I reiterated these important messages in assembly this morning, reminding everyone of the importance of staying safe and knowing who our trusted adults are when attending events over the coming week, including Bridlington Fair and Halloween activities. We have also discussed the darker mornings and evenings and the importance of being visible when out and about. Please encourage your children to wear bright clothing and, wherever possible, items with reflective strips to help them be seen by drivers and other road users. Thank you for your continued support in helping us keep our children safe.

We are absolutely delighted to share some truly incredible news about one of our pupils, Sabariesh, who has achieved first place in the world in the 10th International Maths Olympiad through the Supermaths competition!

This is an exceptional achievement and a wonderful example of the dedication, focus and problem-solving skills our children can develop when they embrace a challenge.

Dr Rashmi Mantri OBE, Founder and CEO of BYITC Supermaths, said: "Congratulations to Sabariesh on this fantastic achievement. Competitions such as the International Maths Olympiad Challenge provide young people with the opportunity to test their skills against international peers while developing confidence, focus and problem-solving abilities."

Huge congratulations to Sabariesh on this amazing accomplishment! We are incredibly proud of you and look forward to seeing what you achieve next.

As we head into the half-term break, I would like to thank all our staff, pupils, parents and carers for their continued hard work, encouragement and support. It has been a busy half term, full of valuable learning experiences, memorable moments and achievements to celebrate.

Please remember that today is the last day of term, and school will be closed tomorrow, Friday 23rd October. We look forward to welcoming all our families back to school on Monday 2nd November 2026. We hope you all have a lovely week, enjoy a restful break and stay safe over the half-term holiday.

Best wishes,

Mrs Gee

PARKING REMINDER

Bridlington Rugby Club have offered the use of their car park for our parents and carers to use. Please **DO NOT** park in the school car park.

Other News.....

Congratulations to the children who represented Bay Primary School at the **regional cross-country event** in Hornsea on Tuesday. We are incredibly proud of everyone who took part and demonstrated such excellent sporting attitudes, determination and skill. Well done to our individual achievers:

- Year 1/2: Joey – 4th place
- Year 3/4: Wolf – 4th place
- Year 5/6: Leo – 2nd place
- Year 5/6: Isaac – 8th place

These are fantastic results! Well done to all the boys and girls who took part in their respective races, supported one another and represented our school so brilliantly. You should all be very proud of yourselves!

A huge thank you to everyone who joined us for our '**Spooky Stay and Read**' sessions on Tuesday and Wednesday. It was lovely to welcome so many parents, carers, grandparents and friends into school to share stories and support our children's love of reading. Events like these are a wonderful way to celebrate reading and strengthen the partnership between home and school. We really appreciate you taking the time to join us and make the sessions so special. A special thank you goes to Mrs Kemp for organising the event, Mrs Fisher and Miss Cresswell for arranging the refreshments, and all our other staff who helped to make this such a great event

Inspirational Individuals
