

A message from Mrs Gee

Dear Parents and Carers,

It has been another fantastic week at Bay Primary School, with lots of wonderful learning opportunities taking place across the school.

On Tuesday morning, Mrs Kemp and Mrs Hewitt went on a Learning Walk throughout the school, focusing on our classroom environments and how these support learning. It was wonderful to see so many examples of working walls being used effectively to support pupils during their lessons. These provide children with valuable resources that they can use to generate ideas and see examples of what a good piece of work looks like. They also saw some fantastic 'Calming Corners' in classrooms. These provide children with a quiet opportunity to regulate and reset within the classroom. It was lovely to see how thoughtfully these spaces have been created to support the wellbeing of our pupils.

On Wednesday, it was wonderful to welcome the Bay Primary School Governing Board into school. Our Governors had the opportunity to visit classrooms, see our learning environments and observe our pupils learning. They were very impressed by the positive buzz throughout the school and commented on how well the children were approaching their learning activities. They saw a wealth of different learning opportunities and particularly enjoyed looking at some of our subject 'Floor Books', which demonstrate the learning that has been taking place across different areas of the curriculum.

We are very proud of the enthusiasm and positive attitudes our children are showing towards their learning.

This morning, we were delighted to welcome Mr Dodd, CEO of Horizon Trust, back to school for another visit. It was lovely to have the opportunity to share the work taking place across Bay Primary School and showcase our continued commitment to providing the very best learning experiences for our pupils.

A reminder that our Parent and Carer Consultations will take place on:

- Tuesday 13th October
- Wednesday 14th October

These meetings are a fantastic opportunity for you to talk with your child's teacher about their progress in school, celebrate their achievements and discuss any areas where we can work together to support your child. Please book your appointment times on MCAS. On Tuesday evening, we will also have samples of our school meals available for you to try in the hall. We hope you will take the opportunity to come along and sample some of the delicious food on offer as well. We look forward to seeing you all at this event!

Have a lovely weekend.

Best wishes,

Mrs Gee

PARKING REMINDER

Bridlington Rugby Club have offered the use of their car park for our parents and carers to use. Please DO NOT park in the school car park.
